

The diagram illustrates the layout of the VRC W/House facility. Key components include:

- Main Roads:** A central horizontal road labeled "MAIN ROAD 30' WIDE" runs through the middle. To its left is another "MAIN ROAD 30' WIDE". Vertical roads are labeled "ROAD 26' WIDE".
- Buildings and Structures:**
 - Dome Structures:** Several circular dome-shaped buildings are numbered 1 through 7. Dome 1 is labeled "Dome 19 NADRA". Domes 2, 3, 4, 5, 6, and 7 contain smaller numbered sections.
 - Rectangular Buildings:** These include the "Verification Hall", "Screening Area", "Waiting Area", "Canteen", "Refugees Waiting Shade", "Support Staff Container", "Generators", "Power Control Room", "ICT/Admin Office & Server Room", "Radio Room Container 35", "Admin Container 22", "Drivers Container", and "Store Container".
 - Toilets:** Multiple toilet facilities are indicated by red circles and labeled "TOILETS 01" through "TOILETS 06". Specific labels include "FEMALE TOILET 01", "WHEEL CHAIR TOILETS 02", "MALE TOILETS 04", and "MALE TOILETS 06".
 - Containers:** Labeled as "UNHCR Container", "MORR Container", "CAR Container", "NADRA Container", "Meeting Container 37", and "VRC / W/HOUSE INDOOR GATE".
- Infrastructure and Features:**
 - Gates:** Labeled "GATE-1", "GATE-2", "VRC MAIN GATE", and "VRC / W/HOUSE INDOOR GATE".
 - Security:** Includes "SECURITY POST" locations and "EMERGENCY EXIT" signs.
 - Other Features:** "WAITING SHADE", "P.W.D TRACK", "REFUGEE PERSON WALKING" paths, "ROAD 26' WIDE", and "VRC WALL" are also shown.
- Orientation:** A compass rose at the bottom center indicates North (N) pointing towards the top-left of the page.
